Dear Friends,

Employment Horizons is a highly respected nonprofit agency that provides comprehensive employment, training and job placement services to persons with disabilities and other disadvantages in the greater Morris County area. Our mission is to "assist people with barriers to employment to achieve their individual vocational objectives and establish self-sufficiency in the community by earning a paycheck and feeling of self-worth as contributing members of society." To provide this life-altering assistance, Employment Horizons needs *your* help.

Please show your support by serving as a sponsor, golfer or making a donation to Daiichi Sankyo's Fifth Annual Golf Classic to benefit Employment Horizons. Your participation is much needed and your support will significantly impact the lives of those we serve. 91% of Employment Horizons' revenues directly support the programs and services for our participants.

Join us for this wonderful event by taking this opportunity to partner with us in helping to assist individuals with special needs to become productive members of our community!

On behalf of Employment Horizons and those we serve, THANK YOU.

Sincerely,

Greg Canose, *Event Chairperson*
